## Albino Miranda, Ltd.

Founded in 1989, **Albino Miranda, Ltd.** is a company that is within the decorative sector, creating and developing furniture and sculpture.

Starting with the **Gestos** brand, the company has debut on the market with a stone composite developed by **Albino Miranda**, in order to conceive decorative sculptures. With its progress come however new investments, such as the adaptation to the unique furniture, combining stone with exotic woods and custom finishes.

In 2009, with the need to take the first steps in the international market, the company embraces a new challenge, presenting their latest brand of furniture in fiberglass, **Karpa**, designed for interior and exterior and composed by a wide range of artistic, unique and luxurious products.

It was in 2015, with **Karpa** focused on artistic and unique solutions and the desire to expand to different markets, that the company launched the **GANSK** brand, in order to serve markets that look for something more simple and elegant, proposing innovative, modern and sophisticated fiberglass furniture.

## GANSK® *the brand*

**GANSK** is a collection of fiberglass furniture pieces conceived with the purpose of complementing any decor with modern, simplistic and elegant details.

**GANSK's** furniture lines adapt perfectly to both Indoor or Outdoor, being equally used on garden, pool or terrace ambients, as well as in modern and more exquisite decors.

Using fiberglass as main material, allows **GANSK's** pieces to be very versatile in finish, dimensions or even shape, and very resistant to the most aggressive ambients, thus making **GANSK** an excellent tool for every professional, adding design and comfort to each project.
