

MURANTI

MURANTI is a furniture brand which creates an equilibrium between the mind and the heart of any interior decoration. We find our inspiration on those thrills. We have two collections: one inspired by the handcrafted way of finding the gemstone and another inspired by the spectacular tones of gemstones, crystals and rocks. Each stone is unique by its special color, texture and radiance, making them rare and desirable, just like our brand is! By choosing MURANTI, you will be acquiring more than a design piece, you will experience matchless sensations in perfect harmony with your spaces, that suit your personality, just like you deserve!
